Legislative Internship

OFFERED

Fall 2016, Spring 2017

DESCRIPTION

State Senator Pamela Althoff is seeking motivated and hard-working undergraduate students for her district office located in McHenry, Illinois. This internship will provide hands-on experience to undergraduate students interested in careers in government, public affairs, and related fields.

RESPONSIBILITIES

Each student intern in Senator Althoff's office will work closely with her district staff on community outreach, corresponding to constituents, building databases, and representing the Senator's office at various functions. Student interns will develop an understanding of the daily functions of a legislative district office, while learning transferable skills that will facilitate their transition to future employment.

COMPENSATION

Unpaid. Applicants may apply for academic credit per your university or college guidelines. It is the responsibility of the student to apply and get approval for academic credit per specified department at university or college.
